LEGISLATIVE COUNSEL'S DIGEST

The existing law provides for a State Office of Narcotics and Drug Abuse in the Health and Welfare Agency with prescribed duties relative to narcotics and drug abuse programs and services and narcotics and drug abuse prevention, care, treatment, and rehabilitation.

This bill would implement the provisions of Reorganization Plan No. 1 of 1977, without substantive change, and in that connection would make the statutory changes necessary to reflect the abolishment of the State Office of Narcotics and Drug Abuse and the vesting of all its duties, powers, purposes, responsibilities, and jurisdiction in the State Department of Health. This bill would also make the statutory changes necessary to reflect the creation of an Advisory Council on Narcotics and Drug Abuse of specified membership, with specified duties to exist until July 1, 1979.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

GOVERNOR'S REORGANIZATION PLAN—1978

No. 1—Relating to State government reorganization: occupational safety and health.
LEGISLATIVE COUNSEL'S DIGEST

Under existing law there is within the Department of Industrial Relations a Division of Industrial Safety whose responsibility it is to administer and enforce the provisions of the California Occupational Safety and Health Act.

Existing law requires the State Department of Health, among other things, to perform certain functions with regard to the development, promulgation, and enforcement of occupational health standards; permits the State Department of Health, under specified conditions, to enter into an agreement with a local health department authorizing such local health department to conduct inspections and evaluations of occupational health problems; and requires the State Department of Health to evaluate certain proposed health standards and variances from adopted standards.

Existing law also requires the State Department of Health Services to develop and present proposed standards to the Occupational Safety and Health Standards Board for substances as to which there exists a preponderance of evidence of carcinogenicity and for which the federal government has not promulgated standards, requires such department to make prescribed inspections of uses of carcinogens, and requires such department and the Department of Industrial Relations to enter into a prescribed agreement defining the responsibilities of such department with respect to enforcement of occupational safety and health standards relating to carcinogens.

This bill would abolish the Division of Industrial Safety and create a Division of Occupational Safety and Health Administration within the Department of Industrial Relations and would establish an Occupational Health and an Occupational Safety Unit within such division. An Occupational Carcinogen Control Unit would also be created within the Occupational Health Unit with responsibility for implementing the division's obligations under the Occupational Carcinogen Control Act.

Under the provisions of this bill, the Division of Occupational Safety and Health Administration would succeed to all present functions and responsibilities of the Division of Industrial Safety and the Occupational Health Branch within the State Department of Health Services, except that laboratory services would continue to be provided by interagency agreement with the State Department of Health Services. All employees engaged in transferred functions would become employees of the Department of Industrial Relations.

Existing law requires the State Department of Health Services to maintain occupational health and occupational disease prevention programs for purposes of, among other things, investigating causes of occupational disease and developing recommendations for their control, providing technical assistance in such matters to specified entities and private individuals, and collecting statistical data on the causes and prevalence of occupational diseases.

This bill would specify that such provisions are intended to implement, within the State Department of Health Services, a research and development capability and a repository of hazardous substances capability for purposes of reinforcing and strengthening the administration of the California Occupational Safety and Health Act.

Preprint A.B. No. 21—Bane.

An act to add Part 5 (commencing with Section 52000) to Division 31 of the Health and Safety Code, relating to housing, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

Preprint AB 21, as proposed, Bane. Counties and cities: housing finance.

Under the Zenovich-Moscone-Chacon Housing and Home Finance Act the California Housing Finance Agency is empowered to make loans, either directly or indirectly through qualified mortgage lenders, as prescribed, for the purchase or rehabilitation, or both, of housing for defined persons and families of low or moderate income. Administration of certain of the agency's programs may presently be delegated to local government, as prescribed. Under the Marks-Foran Residential Rehabilitation Act of 1973, certain local governmental agencies, including counties and cities, are authorized to make loans to private parties for rehabilitation of residential structures. Both of the above acts authorize the issuance of tax-exempt revenue bonds of the California Housing Finance Agency to fund such loan programs.

This bill would authorize counties and cities to finance the purchase or improvement of owner-occupied housing for persons and families of low or moderate income, as defined by local regulation. For such purpose counties and cities would be authorized to issue tax-exempt revenue bonds.

This bill would take effect immediately as an urgency statute.

Preprint A.B. No. 22—Fazio.

An act to amend Section 17072 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy

LEGISLATIVE COUNSEL'S DIGEST

Preprint AB 22, as proposed, Fazio Taxation: contributions or gifts.

Existing provisions of the California Personal Income Tax Law authorize the deduction of certain charitable contributions from adjusted gross income, in the computation of taxable income. Such deduction would not be authorized if the taxpayer does not itemize deductions in such computations.

This bill would authorize such deductions to be made from gross income, rather than adjusted gross income, thereby authorizing a taxpayer to deduct such charitable contributions, regardless of whether such taxpayer uses the standard deduction or itemizes deductions in the computation of taxable income.

It also provides that for purposes of determining whether a taxpayer's charitable contributions exceed the maximum 20 percent of adjusted gross income allowed for charitable deductions, the adjusted gross income shall be computed without regard to the taxpayer's charitable contributions.

This bill would take effect immediately as a tax levy, but its operative effect will depend on its effective date.

Preprint A.B. No. 23—Thurman.

An act to amend Section 35555 of the Vehicle Code, relating to vehicles, and declaring the urgency thereof, to take effect immediately

LEGISLATIVE COUNSEL'S DIGEST

Preprint AB 23, as proposed, Thurman (Agri) Motor vehicles. cotton module mover weight.

The present law provides for various axle weight restrictions on vehicles. It authorizes, until July 1, 1980, any cotton module mover, as defined, to carry a gross weight on each set of tandem axles in excess of 34,000 pounds, while being operated on any county highway in specified counties, unless the board of supervisors having jurisdiction over the county highway adopts a resolution prohibiting or limiting the operation of any cotton module mover exceeding the allowable axle weight limits on that county highway or all county highways under its jurisdiction.

This bill would, instead, authorize, until July 1, 1980, any such cotton module mover to exceed the allowable weight limits applicable to any group of two consecutive axles while being operated on any county highway in such specified counties, unless such a resolution is adopted.

The bill would take effect immediately as an urgency statute.

Preprint A.B. No. 24—Greene.

An act relating to a permissive Education Code.

LEGISLATIVE COUNSEL'S DIGEST

Preprint AB 24, as proposed, L. Greene (Ed). Education law. permissive Education Code

Legislation which became operative in 1976 authorized the governing board of any school district or community college district to initiate and carry on any program, activity, or to act otherwise in any manner which is not in conflict with, or inconsistent with, or preempted by, any law and which is not in conflict with the purposes for which school districts and community college districts are established.

However, the Education Code presently contains many provisions enacted prior and subsequent to such date that specifically prescribe the authority of any school district or community college district to act in initiating and carrying on programs or activities or taking other actions.

This bill deletes many such prescriptive provisions thereby permitting governing boards to exercise authority with respect to the matters affected. This bill would also make other substantive changes, including the transfer and reenactment of numerous provisions in the Education Code, Elections Code, and Welfare and Institutions Code.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

Preprint A.B. No. 25—Bane.

An act to amend Section 16280 of the Government Code, to amend Section 34.5 of Chapter 332 of, and to repeal Section 36 of Chapter 292 of, the Statutes of 1978, relating to public social services, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

Preprint AB 25, as proposed, Bane. Public assistance: State Supplementary Program: cost of living increases

Under existing law, the Supplemental Security Income/State Supplementary Payments Program for the aged, blind, and disabled receives its state financing from a continuous appropriation from the General Fund, except as it may be limited by the Budget Act, and counties would ordinarily pay the state a specified annual share of the SSP aid-grant and administrative costs; however, a specific sum was appropriated in 1978 to pay the counties' share of such costs, for the period from July 1, 1978, to June 30, 1979. Also, the required annual July 1st SSP state cost of living adjustment was made inoperative for the period from September 1, 1978, to June 30, 1979.

This bill would require that the July 1, 1978, annual SSP state cost of living adjustment be applied to the period from September 1, 1978, to June 30, 1979.

This bill would also appropriate \$_____ to pay the state cost of living increase in SSP benefits required by this act, for the period from September 1, 1978 to June 30, 1979.

This bill would take effect immediately as an urgency statute.
